EXHIBITION OVERVIEW

Grind Tech Expo Vietnam 2027 is Vietnam's leading international exhibition dedicated to grinding technology, abrasives, precision surface finishing, and advanced manufacturing. The event connects global suppliers with manufacturers and buyers, creating a premier platform for business networking, technology exchange, and market expansion in Southeast Asia.

VIETNAM MARKET INSIGHTS

Market Growth and Outlook for Vietnam's Grinding Technologies

Market Size: In 2025, the Vietnam grinding machines market is valued at approximately USD 110 million.

Growth Rate: The market is projected to grow at a CAGR of 7.4% during 2025–2031.

Future Outlook: By 2031, the market is expected to reach around USD 300 million.

Key Sector: The automotive industry holds a significant share, alongside electronics metalworking, and construction.

Vietnam Grinding Machines Market Outlook (2025–2031)

Vietnam Abrasives Market (2025–2031)

By 2027, Vietnam's Abrasives market is forecasted to achieve a high growth rate of 13.31%, with China leading the Asia region, followed by India, Japan, Australia and South Korea.

The abrasives market in Vietnam plays a crucial role in supporting the manufacturing and construction sectors. Abrasive materials are widely used in grinding, polishing, and cutting applications across diverse industries.

WHY PARTICIPATE IN GRINDTECH EXPO VIETNAM 2027

Fast-Growing Market

USD 110M – 300M by 2031 (CAGR 7.4%)

Rising Demand

CNC, automation & EV growth drive need for precision grinding tech

Maximized Brand Exposure

GTE gives businesses exclusive visibility through live demos, product spotlights, and media coverage

Direct Access to Qualified Decision-Makers

Meet plant managers, engineers & distributors face-to-face

EXHIBITOR PROFILE

Abrasive Tools, Materials & Accessories

Grinding Technology & Surface Finishing Solutions

Automation Systems, Robotics & CAD/CAM Software

Contract Grinding Services & Engineering Solutions

Grinding, Milling Machines & CNC Machining Centers

Tools & Work Accessories

Measuring, Inspection & Quality Control Equipment

Cooling & Lubrication Systems

VISITOR PROFILE

- Manufacturing Business Owners & Plant Managers
- Manufacturing Engineers & Technical Specialists
- CNC Machine Operators, Grinding & Milling Technicians
- Maintenance & Quality Control (QA/QC) Professionals
- Machinery & Mechanical Equipment Suppliers
- Machinery, Tools & Abrasives Distributors
- Precision Engineering & Contract Grinding Service Providers
- Professionals from Woodworking, Glass, Stone Medical Devices, Optics & Watchmaking Industries

TESTIMONIALS

Mr. Wang Yan – Sales Manager
Hunchun Zhengxing Abrasive Co.,Ltd

I participated in Grindtech Expo Vietnam 2026 to explore opportunities in the Vietnamese market. The exhibition was a useful platform to understand the local business environment and connect with industry stakeholders. I especially appreciated the organizer's efforts in arranging face-to-face meetings between exhibitors and buyers, which created valuable networking opportunities. We will consider participating again next year. Thank you."

Mr. Gao Huaiwei – Director
Henan Duocan Carbon Tech Co.,Ltd

I participated in Grindtech Expo Vietnam 2026 to explore the Vietnamese market and identify potential distributors. The exhibition experience was positive, and I was especially impressed by the professional B2B buyer conference, which offered a valuable platform for direct business discussions and networking. It is still too early to confirm participation in the next edition; we will decide based on the outcomes following the exhibition. Thank you."
