THE GATEWAY TO NEXT-GENERATION **GRINDING** TECHNOLOGIES

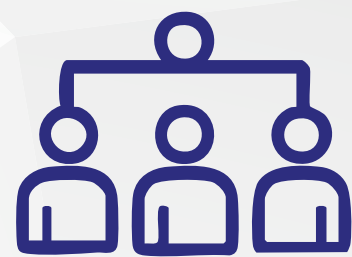

Held from **10-12 June 2026**, **Grind Tech Expo Vietnam 2026** reaffirmed its position as Vietnam's dedicated trade platform for the abrasives and grinding industry. The exhibition brought together leading manufacturers, technology providers, and industry professionals to explore the latest advancements in grinding, and material processing technologies.

Serving as a hub for business networking, knowledge exchange, and technology sourcing, the event created valuable opportunities for participants to expand partnerships, discover innovative solutions, and strengthen their presence in Vietnam's growing manufacturing market.

TESTIMONIALS

**Mr. Wang Yan – Sales Manager
Hunchun Zhengxing Abrasive Co.,Ltd**

I participated in Grindtech Expo Vietnam 2026 to explore opportunities in the Vietnamese market. The exhibition was a useful platform to understand the local business environment and connect with industry stakeholders. I especially appreciated the organizer's efforts in arranging face-to-face meetings between exhibitors and buyers, which created valuable networking opportunities. We will consider participating again next year. Thank you."

**Mr. Gao Huaiwei – Director
Henan Duocan Carbon Tech Co.,Ltd**

I participated in Grindtech Expo Vietnam 2026 to explore the Vietnamese market and identify potential distributors. The exhibition experience was positive, and I was especially impressed by the professional B2B buyer conference, which offered a valuable platform for direct business discussions and networking. It is still too early to confirm participation in the next edition; we will decide based on the outcomes following the exhibition. Thank you."
